Job Description

About Us:

Rolling Rockstar Transit was born out of the long-standing culture and traditions engrained in Buechel Stone. It is a family owned and operated company that is headquartered out of Wisconsin with production facilities in Kansas and North Carolina. We are a natural stone company that prides itself on being THE BEST EXPERIENCE in natural stone for both our customers and employees.

About You:

How do you know if Buechel Stone is the right place for you? Simple. Are you looking for a place where the ownership group CARES about their employees? Do you OWN up to tasks and jobs that you have and have INTEGRITY when things are not going right? Do you like to have FUN and GET STUFF DONE? If these are resonating with you, then you are in the right place.

About The Role:

In Short: You will be responsible for removing product from our production line and stacking it on pallets according to work order specifications in preparation for shipping.

Essential Duties and Responsibilities:

- Participate in mandatory stretching exercise program
- Receive direction and work orders from Supervisor
- Verify that tools and equipment are in proper working condition
- Remove split stone from conveyor belts
- Trim stone to specifications
- Place stones on pallets according to color, size, and quality
- Maintain quality standards

- 
- Band and wrap pallets for transport
 - Keep work area clean and orderly
 - Follow all safety regulations

Other duties as assigned Qualification Requirements:

- Product knowledge
- Ability to read a tape measure
- Dependable
- Ability to lift up to 50 lbs frequently; 100 lbs. occasionally
- Ability to stand for long periods of time
- Ability to bend frequently
- Ability to perform repetitive tasks
- Detail oriented
- Ability to adapt to varying work environments
- Ability to work in a team environment
- Ability to work independently
