Job Description

Who We Are:

Are you a dynamic educator that is ready to utilize your talents and skills in a fun and unique teaching environment?

ORION Education and Training has an opening for full-time Teachers at our Diploma Completion & Learning Centers. Orion works in cooperation with local school districts to provide students an opportunity to earn credits necessary to meet graduation requirements and obtain a high school diploma. This position would involve course management for onsite and virtual learners.

Responsibilities:

- Create and upload instructional support materials within a variety of online communication platforms (LMS, social media, email, etc.).
- Facilitate online and onsite coursework for students in coordination with district requirements. Maintain a safe and disciplined environment conducive to learning.
- Monitor, evaluate, and communicate student progress.
- Follow and enforce policies and regulations for both ORION and KSDE.

Requirements:

Minimum Qualifications:

- Education: Bachelor's Degree in Education, Kansas licensure, secondary required
 - Experience: Working with non-traditional learners and/or online environments
 - Technology Skills: G Suite applications, digital literacy, file management, LMS operation
 - Other Skills: Communication, organization, problem-solving, creative and independent thinking
- Must be able to pass a drug test and background check

Job Type: Full-time

Pay: From \$40,000.00 per year
