### **About Us**

Here at Ark City Presbyterian Manor, we have a special culture of learning, growth, and engagement. This culture starts with our friendly team members. Everything we do is about providing a great experience for our residents and is rooted in our heritage as a faith-based, not-for-profit organization. We have a wonderful, caring and long-tenured team, and we're always looking for the next addition to join us.

Be EMPOWERED to actively participate in the lives of our residents and their families. Join the PMMA team to provide the best quality of life and care for our residents!

**Position Type:** Full-Time & Part-Time

**Schedule:** Various Shifts Available

#### **Position Summary:**

This position is responsible for providing residents with routine daily nursing care in accordance with the resident's assessment and plan of care, and as may be directed by the department director or supervisor. Advances the value that the resident comes first. The employee values the Community as the residents' home and works to create attributes of home and models person centered care.

#### **Overall Requirements of Position:**

- Must be able to read, write, speak and understand the English language.

- Must possess the ability to make independent decisions when circumstances warrant such action.
- Must function independently when necessary, demonstrating flexibility, personal integrity and the ability to work effectively with the residents, staff and support agencies.
- Must possess the ability to deal tactfully with staff, residents, visitors, government agencies/personnel and the general public.
- Must be knowledgeable of dietary practices and procedures.
- Must be able to take instruction and follow directions.
- Must have patience, positive disposition and enthusiasm, as well as the willingness to handle difficult situations.
- Must be able to relate information concerning a resident's condition.
- Must not pose a direct threat to the health or safety of other individuals in the workplace.

#### **Essential Duties and Responsibilities:**

- Ensures resident care is provided in accordance with plan of care, speaks with the resident before and while providing care. Knows and respects the resident's preferences.
- Identifies resident, introduces self and refers to resident by preferred name while providing care.
- Uses respectful and appropriate language/terminology when communicating with residents.
- Observes and describes resident status. Reports pertinent changes to the charge nurse and in documentation so the plan of care can be appropriately updated. This may include presence of pressure areas and skin breaks, accidents/incidents, loss of ability and evidence of pain.
- Answers resident calls promptly and checks on residents frequently.
- Assists residents in preparing for or completing medical tests, exams, or rehabilitation activities.
- Transfers residents using appropriate safety equipment and procedures.
- Checks and records vital signs such as blood pressure, respiration rate, weight and temperature.
- Assists with resident admission, transfer and discharge functions. This may include room preparation, greeting, introductions, orientations, item inventory and packing.
- Documents care given and resident condition using the appropriate documentation systems.
- Advances the value that residents come first by reporting accidents, incidents, resident complaints and changes in the resident's condition to the supervisor.
- Respects the resident room as their home and requests resident permission and/or input prior to moving personal items or transferring room.
- Invites and engages residents in meaningful events and activities of their choice. Focuses on recognizing resident preferences, desires and customary routines.

- Enhances resident life by listening to, learning from and carrying out tasks in line with resident preferences and desires.
- Follows established universal precautions, safety and sanitation protocols, safe food handling practices and regulations. This includes proper clean-up, washing, storing of items, disposal of personal protective equipment or handling of hazardous materials. Reports occupational exposures to blood, body fluids, infectious materials and hazardous chemicals to the supervisor. Follows established isolation precautions and protocols. Reports missing/illegible labels and SDS's to the supervisor. Adheres to fire, smoking, equipment and safety policies and procedures.
- Protects the residents and PMMA by not disclosing or using resident health information for any purpose other than treatment for the resident, payment and operations.
- Immediately notifies supervisor if a resident is leaving/missing from the Community.
- Values and respects the choices and preferences of residents and works to create attributes of home, with emphasis on person centered care,
- Upholds resident rights and confidentiality. Creates and supports a physical environment which is accessible and supports privacy, independence and comfort.

**Education, Experience, and/or Training:**

- Must be a Certified Nursing Assistant in accordance with laws of the state.
- High School diploma or equivalent desired.
- Previous 6 months of experience in long-term care desired.

**Skills and Abilities:**

- Must be able to read, write, speak and understand the English language.
- Must possess the ability to make independent decisions when circumstances warrant such action.
- Must function independently when necessary, demonstrating flexibility, personal integrity and the ability to work effectively with the residents, staff and support agencies.
- Must possess the ability to deal tactfully with staff, residents, visitors, government agencies/personnel and the general public.
- Must have patience, positive disposition and enthusiasm, as well as the willingness to handle difficult residents.
- Must be able to relate information concerning a resident's condition.
- Must not pose a direct threat to the health or safety of other individuals in the workplace.

**Physical or Mental Demands:**

- This position is classified as Medium Work for physical exertion requirements. Medium work involves lifting no more than 50 pounds at a time with frequent lifting or carrying of objects weighing up to 25 pounds.
- Periods of prolonged sitting, standing, bending, stooping, squatting, reaching above, at or below shoulder level, kneeling, crouching and twisting may occur.

- 
- Must meet the general health requirements set forth by the policies of this Community that may include a medical and physical examination.
  - May be necessary to assist in the evacuation of residents during emergency situations.
  - Moves intermittently during working shift.
  - Is subject to frequent interruptions.

**Working Environment:**

- May work beyond normal working shift, and/or subject to call back, when necessary and in other positions, temporarily, when needed.
- Is subject to injury from falls, burns from equipment, odors, etc., throughout the work shift.
- Is subject to exposure to dust, disinfectants, chemicals and other air contaminants.
- May be exposed to illnesses and diseases, including Tb and the AIDS and hepatitis B viruses.
