Four County Mental Health
22214 D Street
Winfield, KS 67156
620-221-9664

Job Description

Four County Mental Health Center, Inc. has been an area provider of public mental health services since 1964. Historically, being the designated community mental health clinic meant that citizens of each county had access to only two services: Outpatient counseling and psychiatric/medication services. Over the past several years, our scope has increased to include more than 40 service programs designed to meet the unique needs associated with all ages and mental/behavioral health challenges.

Assertive Community Treatment Peer Support Specialist –The ACT Peer Support Specialist is an integral part of a multi-disciplinary team of mental health clinicians. This position provides a voice of lived experience while helping clients to identify a path to his/her recovery. The ACT Peer Support Specialist will be expected to manage his/her own schedule and will also be expected to work in a team environment that includes daily team meetings. The vast majority of services will take place in client's home and/or in the community. Must have a High School Diploma or GED and a minimum of 2 years personal life experience of receiving Behavioral Health Services.

- Hourly position: starting wage is \$32,672.00/year – 15.71/hour. (Full-Time)

Kids Konnections Attendant Care- This position consists of working one-on-one in a home-like setting with children ages 6 to 18 years old on the weekends. Staff will be responsible for care of and activities for the child, while maintaining safety. We are seeking individuals who enjoy working with children, whom are flexible, dependable and would like to earn extra money while doing something rewarding!

- Starting wage is \$15.71hour. (Part-Time Weekends).

Crisis Diversion Services Therapist On-Call – Position entails serving on an on-call rotation as needed, providing emergency services for both adults and children in the agency catchment area. Ability to provide excellent customer service to agency business partners and patients is a must. Added benefits for this position include: Enhanced salary rate for on-call coverage periods, opportunity for incentive pay and extra days off each month. Requires a minimum of a master's degree from an accredited institution which provides graduate training in social work, counseling, psychology, or marriage and family therapy. Potential applicants must be licensed or immediately eligible for licensure in Kansas.

- Wage is: \$40.00/hour (Full Time and PRN)

Therapist Mobile Crisis Response Back up On-Call-

This position is designed to provide comprehensive mobile emergency services in community settings with primary emphasis on crisis intervention, stabilizing, and safety planning. This person will work closely with community partners who serve mutual clients, coordinate services, monitor staff availability, approve clinical documentation, and gather and provide data required by MCR model. Requires a minimum of a master's degree from an accredited institution which provides graduate training in social work, psychology, or marriage and family therapy. Potential applicants must be licensed or immediately eligible for licensure in Kansas. Two years of clinical experience in outpatient mental health services with one year experience in crisis work preferred.

- Starting wage is \$73,500/year (salary does include a \$2,000 stipend for on-call). (Hours are 11:00AM-9:00PM four days per week.)

Outpatient Therapist-

This therapist is responsible for providing mental health treatment services and providing consultation services to individuals and organizations in the community. Requires a minimum of a master's degree from an accredited institution which provides graduate training in social work, psychology, or marriage and family therapy. Potential applicants must be licensed or immediately eligible for licensure in Kansas. Applicants with additional addictions licensure (LAC, LCAC) are encouraged to apply, but this is not a requirement.

- Starting wage is \$71,500/year. Applicants willing to provide dual-diagnosis services could receive an additional increase of \$2,000. Sign-on bonus available. (Full-Time)
