

## ICI Insurance

**Job Title:** Commercial Account Manager

**Job Location:** Arkansas City, KS

**Position Type:** Full-Time

**How To Apply:** Online

### **Job Description**

In this role, you will be responsible for managing a portfolio of commercial accounts, building strong relationships with clients, and providing exceptional customer service. Your ability to understand the unique insurance needs of businesses and offer tailored solutions will be key to your success. **Client Account Management:** Work closely with commercial clients to assess their insurance needs and provide tailored solutions. **Policy Reviews:** Conduct regular reviews of client policies to ensure coverage is up to date and meeting their business needs. **Client Relations:** Build and maintain strong relationships with commercial clients, providing ongoing support and excellent service.

**Licensing:** Possess or willing to acquire Property & Casualty license in Kansas. **Experience:** Previous experience in commercial insurance account management or related field is a plus. **Communication Skills:** Strong verbal and written communication abilities to effectively interact with clients and colleagues. **Problem-Solving:** Ability to analyze complex situations, identify solutions, and make decisions in a fast-paced environment. **Detail-Oriented:** High level of accuracy and attention to detail in policy administration and client management. **Team Player:** Collaborative approach to working with others, supporting team goals, and fostering a positive work environment.
