Introduction

The on-site position is responsible for purchasing, expediting, and monitoring the status of electronic components and various supplies for assigned projects.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

- Prepare purchase orders, evaluate bids based on quality, service capability and price.
- Daily review of reports and forecasts to ensure all components are on order.
- Expedite and ensure timely delivery and back-order follow-up to maintain schedules.
- Executes strategies and procurement programs to support production goals.
- Coordinates, conducts, and participates in meetings and discussions between suppliers and necessary related personnel concerning supply, delivery, or quality.

EXPERIENCE AND REQUIRED SKILLS:

- Proficiency with ERP systems and with Microsoft Office (emphasis on Excel).
- High level of responsibility, analysis, and independent decision-making is expected.
- Experience in Materials, Supply Chain and/or Cost Accounting, preferred.
- Strong team skills and ability to work and thrive in a fast-paced office atmosphere.
- Strong verbal and written communication skills.
- Ability to be self-motivated, be proactive and an effective team player.

What we have to offer: Sand Y has a competitive compensation plan, including a bonus opportunity. We also offer a paid comprehensive benefits package, including medical, dental, vision, life insurance, matching 401(k), paid holidays and PTO.
