**INDEPENDENT AUDITORS' REPORT**

To the County Commissioners  
Cowley County  
Winfield, Kansas 67156

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Cowley County, Kansas, a Municipality, as of and for the year ended December 31, 2013 and the related notes to the financial statement.

***Management's Responsibility for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with *the Kansas Municipal Audit and Accounting Guide* as described in Note I to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and applicable audit requirements of the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinions***

#### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note I of the financial statement, the financial statement is prepared by the County to meet the requirements of the State of Kansas on the basis of financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between regulatory basis of accounting described in Note I and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

#### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Cowley County, Kansas, as of December 31, 2013, or the changes in financial position and cash flows thereof for the year then ended.

#### ***Opinion of Regulatory Basis of Accounting***

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Cowley County, Kansas, as of December 31, 2013, and the aggregate receipts and expenditures for the year then ended in accordance with financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note I.

### ***Other Matters***

#### ***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedules of regulatory basis receipts and expenditures-agency funds, and reconciliation of 2013 tax roll (schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the 2013 basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the 2013 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2013 basic financial statement or the 2013 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2013 supplementary information is fairly stated in all material respects in relation to the 2013 basic financial statement as a whole, on the basis of accounting described in Note I.

*Prior Year Comparative Analysis*

The 2012 Actual columns presented in the individual fund schedules of regulatory basis receipts and expenditures-actual and budget (Schedule 2 as listed in the table of contents) are also presented for comparative analysis and are not a required part of the 2012 basic financial statement upon which we rendered an unqualified opinion dated October 17, 2013. The 2012 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the website of Kansas Department of Administration, Office of Management Analysis and Standards at the following line <http://da.ks.gov/ar/muniserv/>. Such 2012 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2012 basic financial statement. The 2012 comparative information was subjected to the auditing procedures applied in the audit of the 2012 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2011 basic financial statement or to the 2012 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2012 comparative information is fairly stated in all material respects in relation to the 2012 financial statement as a whole.

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

**I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Municipal Financial Reporting Entity**

Cowley County is a municipal corporation governed by an elected three-member commission. Cowley County, Kansas, is a county located on the southern border of Kansas, approximately forty five miles south of Wichita, Kansas. It is 1,133 square miles in size, has a population of about 36,500, and was organized and chartered in March, 1870. This regulatory financial statement presents Cowley County (the County).

*Related Municipal Entities*

The County, for financial purposes, includes all of the funds and account groups relevant to the operations of Cowley County, Kansas, with the exception of the Cowley County Mental Health & Counseling Center, and the City-Cowley County Health Department. These related municipal entities each have an audit of their financial statement completed separately. Copies can be obtained by contacting the management at the following addresses:

Cowley County Mental Health & Counseling Center  
22214 D St, Winfield, KS 67156

City-Cowley County Health Department  
300 E. 9<sup>th</sup> Suite B, Winfield, KS 67156

**B. Basis of Presentation – Regulatory Basis Fund Types**

The financial transactions of the County are recorded in individual funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the County for the year 2013:

**General Fund** – the chief operating fund. Used to account for all unrestricted resources except those required to be accounted for in another fund.

**Special Purpose Fund** – used to account for the proceeds of specific tax levies and other specific revenue sources (other than capital project and tax levies for long term debt) that are intended for specified purposes.

**Bond and Interest Fund** – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

**Capital Project Fund** – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

**Business Type Funds** – funds financed in whole or in part by fees charged to users or goods or services (i.e. enterprise and internal service fund, etc.).

**Agency fund** – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

**C. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America**

*The Kansas Municipal Audit and Accounting Guide (KMAAG)* regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrances obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund; and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c) waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

**D. Budgetary Information**

Kansas Statutes require that an annual operating budget be legally adopted for the General Fund, Special Revenue Funds (unless specifically exempt by statute), Debt Service Funds, and Enterprise Funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1<sup>st</sup>.
2. Publication in a local newspaper on or before August 5<sup>th</sup> of the proposed budget and notice of public hearing on the budget.

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

3. Public hearing on or before August 15<sup>th</sup> but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25<sup>th</sup>.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. The budget was amended by the following amount during 2013:

| <u>Fund</u>           | <u>Original Budget</u> | <u>Amended Budget</u> |
|-----------------------|------------------------|-----------------------|
| Jail Sales Tax        | \$ 30,001.00           | \$ 690,000.00         |
| 911 Wireless          | 205,182.00             | 383,273.00            |
| Community Corr.       | 453,676.00             | 494,542.00            |
| South Annex Sales Tax | -                      | 375,000.00            |
| South Annex Bonds     | -                      | 3,510,787.00          |
| Jail Surplus          | -                      | 50,000.00             |

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. All unencumbered appropriations (legal budget expenditure authority) lapse at year-end.

A legal operating budget is not required for Capital Projects Funds, Trust and Agency Funds, and the following Special Purpose Funds:

Special Equipment Reserve Fund  
Special Machinery Fund  
Capital Improvements Fund  
Special Highway Improvement Fund

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

**E. Property Taxes**

In accordance with governing State statutes, property taxes levied during the current year are revenue sources to be used to finance the budget of the ensuing year. Taxes are assessed on calendar-year bases and are levied and become a lien on the property on November 1<sup>st</sup> of each year. The county treasurer is the tax collection agent for all taxing entities with the County. Property owners have the option of paying one-half of the full amounts of the taxes levied on or before December 20<sup>th</sup> during the year levied with the balance to be paid on or before May 10<sup>th</sup> of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes levied and collected in the year prior to January 1<sup>st</sup> of the ensuing year.

**F. Special Assessments**

Projects financed in part by special assessments are funded through general obligation bonds issued by the County and listed with its other general obligation debt. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate project but special assessments received after the issuance of bonds are recorded as revenue in the Bond and Interest Fund, from which the bonds will be paid.

**II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**A. Compliance with Kansas Statutes**

The County was in compliance with all Kansas Statutes.

**B. Compliance with Finance-Related Legal and Contractual Provisions**

The County is not aware of any debt covenants, or other violations of finance-related or contractual provisions for the year ended December 31, 2013.

**III. DEPOSITS AND INVESTMENTS**

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate.

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

K.S.A.12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk – deposits.* Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at December 31, 2013.

At December 31, 2013, the County's carrying amount of deposits was \$30,144,326.30 and the bank balance was \$29,297,886.88. As stated above, the bank balance was held in five banks resulting in a concentration of credit risk. Of the bank balance, \$1,250,000.00 was covered by federal depository insurance; \$28,271,783.90 was collateralized with securities held by the pledging financial institutions.

*Custodial credit risk – investments.* For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

#### **IV. LONG - TERM DEBT**

Cowley County's summary of the changes in long-term liabilities for the year ended December 31, 2013, were as follows:

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

**VI. DEFINED BENEFIT PENSION PLAN**

*Plan description.* The County participates in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are a cost-sharing multiple-employer defined benefit pension plan as provided by Kansas law. KPERS and KP&F provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report (only one is issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 S. Kansas, Suite 100, Topeka, KS 66603), or by calling 1-88-275-5737.

*Funding Policy.* K.S.A. 74-419 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% for covered salary for Tier 1 members and at 6% for covered salary for Tier 2 members. The employer collects and remits member-employee contributions according to the provisions of Section 4149H of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS is funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates. The employer rate established by statutes for January 1, 2013 to December 31, 2013 is 8.94%. Included in the rate is the contribution for Group Death and Disability Insurance of 1%. From April 1, 2013 through June 30, 2013 there was a moratorium on the collection for the premium of 1.00% of the Group Death and Disability Insurance rate. Beginning July 1, 2013 through June 30, 2015 the Group Death and Disability Insurance rate will be .85%. The County's contributions to KPERS for the years ending December 31, 2013, 2012, and 2011 were \$419,177.16, \$361,126.78, and \$335,216.10 respectively, equal to the required contributions for each year. The KP&F employer rate established for fiscal years beginning in 2013 is 17.26%. The County's contributions to KP&F for the years ended December 31, 2013, 2012, and 2011 were \$180,485.47, \$107,267.96 and \$201,457.07, respectively.

**VII. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS**

**A. Other Post-Employment Benefits**

As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

**COWLEY COUNTY, KANSAS**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2013**

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the County under this program.

**B. Other Employee Benefits**

The County's policies regarding vacation and sick pay are the following: Full-time (forty hours per week) employees shall participate in earning vacation leave and sick leave. Part-time employees do not participate in any vacation and sick time; only one part-time employee receives paid holidays. During the six month probationary period, employees may take sick leave; however employees shall not use vacation time during the first year of employment.

Vacation – Vacation leave shall be accrued from the employee's date of employment as stipulated hereinafter.

Full time employees accrue vacation at the following rates:

Upon separation from the County employment for other than cause dismissal, an employee will receive the pay for unused vacation accrual.

Sick Leave – Full time employees can earn sick leave with pay at the rate of 12 days per year, accrued bi-weekly. The maximum limit on the first day of any subsequent year shall be 720 hours. Any employee who has accumulated 720 hours may convert any additional sick leave accrued for pay at the end of the year in which it was accumulated so that the only sick leave available on January 1 will be no more than 720 hours. The conversion will be one (1) hour of sick leave to one (1) hour of pay.

Upon termination from County employment for other than a cause dismissal, an employee will receive that pay as indicated below for the unused sick accrual:

The County's potential liability for compensated absences at December 31, 2013 was \$609,050. This is not reflected in the financial statement.

**VII. CLAIMS AND JUDGEMENTS**

The County participates in federal and state programs that are fully funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the County may be required to reimburse the grantor government. As of the date of this report, the expenditures have not been audited, but the County believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the County.

The County is exposed to various risks of loss related to torts; theft of damage to, and destruction of assets; errors and omissions; injuries to employee; and natural disasters. The County has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2012 to 2013 and there were no settlements that exceeded insurance coverage in the past three years.

During the ordinary course of its operations the County is a party to various claims, legal actions and complaints. It is the opinion of the County's management and legal counsel that these matters are not anticipated to have a material financial impact on the County.

**IV. SUBSEQUENT EVENTS**

The County evaluated events and transactions occurring subsequent year end, and there were no subsequent events requiring recognition in financial statements.
