INDEPENDENT AUDITORS' REPORT

To the County Commissioners Cowley County Winfield, Kansas 67156

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Cowley County, Kansas, a Municipality, as of and for the year ended December 31, 2014 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note I to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note I of the financial statement, the financial statement is prepared by the County to meet the requirements of the State of Kansas on the basis of financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between regulatory basis of accounting described in Note I and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Cowley County, Kansas, as of December 31, 2014, or the changes in financial position and cash flows thereof for the year then ended.

Opinion of Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Cowley County, Kansas, as of December 31, 2014, and the aggregate receipts and expenditures for the year then ended in accordance with financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note I.

Other Matters

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and expenditures-agency funds, and reconciliation of 2013 tax roll (schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying

accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note I.

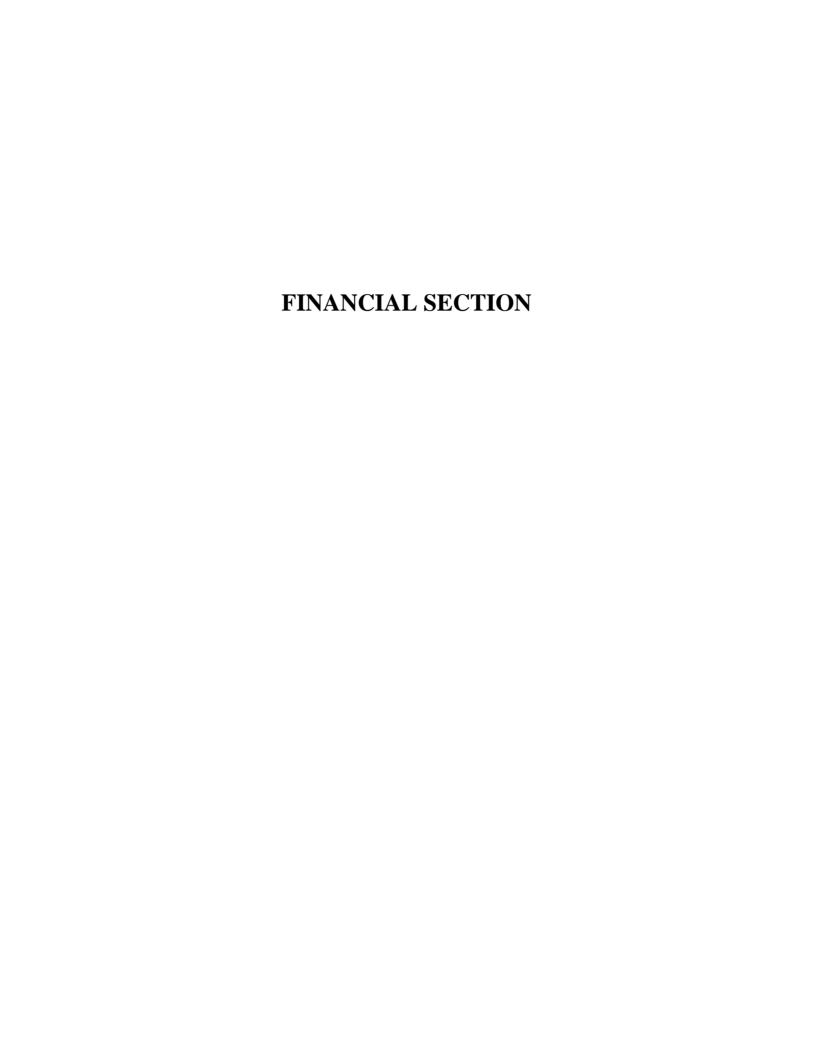

Prior Year Comparative Analysis

The 2013 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures-actual and budget (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and are not a required part of the 2013 basic financial statement upon which we rendered an unqualified opinion dated June 5, 2014. The 2013 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the website of Kansas Department of Administration, Office of Management Analysis and Standards at the following line http://da.ks.gov/ar/muniserv/. Such 2013 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2013 basic financial statement. The 2013 comparative information was subjected to the auditing procedures applied in the audit of the 2013 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2013 basic financial statement or to the 2013 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2013 comparative information is fairly stated in all material respects in relation to the 2013 financial statement as a whole, on the basis of accounting described in Note 1.

Restricted Use

This report is intended for the information and use of the County Commissioners and administration of Cowley County, and for filing with the Kansas Department of Administration and Division of Accounts and Reports, and should not be used for any other purpose.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Municipal Financial Reporting Entity

Cowley County is a municipal corporation governed by an elected three-member commission. Cowley County, Kansas, is a county located on the southern border of Kansas, approximately forty five miles south of Wichita, Kansas. It is 1,133 square miles in size, has a population of about 36,500, and was organized and formed in March, 1867. This regulatory financial statement presents Cowley County (the County).

Related Municipal Entities

The County, for financial purposes, includes all of the funds and account groups relevant to the operations of Cowley County, Kansas, with the exception of the Four County Mental Health Center, and the City-Cowley County Health Department. These related municipal entities each have an audit of their financial statement completed separately. Copies can be obtained by contacting the management at the following addresses:

Four County Mental Health Center 3751 W. Main, PO Box 688, Independence, KS 67301

City-Cowley County Health Department 300 E. 9th Suite B, Winfield, KS 67156

The County merged the services provided by Cowley County Mental Health and transferred all of its assets to Four County Mental Health effective July 1, 2014. Cowley County has membership representation on the Board of Directors for Four County Mental Health, and also has the right to re-establish Cowley County Mental Health should Four County Mental Health ever decide to close the facility located in Cowley County in the future.

B. Basis of Presentation – Regulatory Basis Fund Types

The financial transactions of the County are recorded in individual funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the County for the year 2014:

General Fund – This chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – Used to account for the proceeds of specific tax levies

and other specific revenue sources (other than capital project and tax levies for long term debt) that are intended for specified purposes.

Bond and Interest Fund – Used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of interest and principal on long-term general obligation debt.

Capital Project Fund – Used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Type Funds – Funds financed in whole or in part by fees charged to users or goods or services (i.e. enterprise and internal service fund, etc.).

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

C. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrances obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c) waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

D. Budgetary Information

Kansas Statutes require that an annual operating budget be legally adopted for the General Fund, Special Revenue Funds (unless specifically exempt by statute), Debt Service Funds, and Enterprise Funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in a local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. The budget was amended by the following amount during 2014:

Fund	Original Budget	Amended Budget
South Annex Bonds	2,050,000	3,310,678
Self-Insured Benefits	-	300,000

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for Capital Projects Funds, Trust and Agency Funds, and the following Special Purpose Funds:

Special Equipment Reserve	Special Law Enforcement
Special Machinery	County Attorney Training
Capital Improvements	Community Corrections
Special Highway Improvement	Register of Deeds Technology
Grants Fund	District Court Special Fund

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

E. Property Taxes

In accordance with governing State statutes, property taxes levied during the current year are revenue sources to be used to finance the budget of the ensuing year. Taxes are assessed on calendar-year bases and are levied and become a lien on the property on November 1st of each year. The county treasurer is the tax collection agent for all taxing entities with the County. Property owners have the option of paying one-half of the full amounts of the taxes levied on or before December 20th during the year levied with the balance to be paid on or before May 10th of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes levied and collected in the year prior to January 1st of the ensuing year.

F. Special Assessments

Projects financed in part by special assessments are funded through general obligation bonds issued by the County and listed with its other general obligation debt. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate project but special assessments received after the issuance of bonds are recorded as revenue in the Bond and Interest Fund, from which the bonds will be paid.

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Compliance with Kansas Statutes

As shown in Schedule -1-, The County had no expenditures in excess of the budgeted amounts in the current year. There is no violation of K.S.A. 79-2935.

The County failed to comply with K.S.A. 10-815, which requires warrants/checks outstanding for two years or more to be canceled and restored to the fund originally charged.

The County failed to comply with K.S.A. 19-228, which requires the County Clerk to publish monthly/quarterly financial summaries.

B. Compliance with Finance-Related Legal and Contractual Provisions

The County failed to comply with K.S.A. 10-130, which requires the County to remit payment to the state fiscal agent at least 20 days before the day of maturity on any bonds or the interest thereon.

III. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition

K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate.

K.S.A.12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at December 31, 2014.

At December 31, 2014, the County's carrying amount of deposits was \$31,920,863.22 and the bank balance was \$32,492,708.39. As stated above, the bank balance was held in five banks resulting in a concentration of credit risk. Of the bank balance, \$1,250,000.00 was covered by federal depository insurance; \$31,242,708.39 was collateralized with securities held by the pledging financial institutions.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

IV. LONG - TERM DEBT

Cowley County's summary of the changes in long-term liabilities for the year ended December 31, 2014, were as follows:

Issue	Interest Rate	Date of Issue	Amoun	I	Balance Beginning of Year	A	dditions	eductions/ Payments	Net Change	 Balance End of Year	I	nterest Paid
General Obligation Bo	onds and Temp	orary Notes										
General Obligation Series 2000 General Obligation Series 2013	5.00-6.50	11/01/00	\$ 200,000	\$	20,000 3,550,000	\$	-	\$ 20,000 540,000		\$ 3,010,000	\$	1,120 41,417

CDDO	Special Equipment Reserve	19-119	3,000.00
Public Works	Self Funded Health Insurance	County Resolution	6,500.00
Total			\$ 1,649,000.00

VI. DEFINED BENEFIT PENSION PLAN

Plan description. The County participates in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing multiple-employer defined benefit pension plan as provided by Kansas law. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report (only one is

issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 S. Kansas, Suite 100, Topeka, KS 66603), or by calling 1-88-275-5737.

Funding Policy. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS memberemployee contribution rates. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. establishes the KPERS member-employee contribution rate at 5% for covered salary for Tier 1 members and at 6% for covered salary for Tier 2 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7% of covered salary. The employer collects and remits member-employee contributions according to the provisions of Section 414(h) of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates. The County's contributions to KPERS for the years ending December 31, 2014, 2013, and 2012 were \$375,352.81, \$314,968.68, and \$375,352.81 respectively, equal to the required contributions for each year. The County's contributions to KP&F for the years ended December 31, 2014, 2013, and 2012 were \$224,863.43, \$179,166.16 and \$170,267.97, respectively.

Net Pension Liability. The total pension liability for KPERS was determined by an actuarial valuation as of December 31, 2013, which was rolled forward to June 30, 2014. As of June 30, 2014 the net pension liability for KPERS was \$8,291,794,910. KPERS hasn't determined The County's proportionate share of the net pension liability as of June 30, 2014.

VII. SELF-INSURANCE CLAIMS

The County established a limited risk management program for employees' health care insurance as of November 1, 2014. The program includes a stop-loss provision for claims over \$25,000 per individual and aggregate claims over \$1,052,961 and the maximum for dental claims is \$1,000. The estimated liability for payment of incurred (both reported and unreported) but unpaid claims are recorded in the Self-Insurance Internal Service Fund. Claim liabilities are calculated considering the effects of inflation, recent claim settlement trends, including frequency and amounts of payouts, and other economic and social factors. Liabilities related to risks of loss are reported when it is probable that a loss has occurred and the amount of loss can be reasonably estimated. The County has \$26,322.30 recorded as accounts payable in the Self-Insurance Fund for future health claims.

VIII. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

A. Other Post-Employment Benefits

As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the County under this program.

B. Other Employee Benefits

The County's policies regarding vacation and sick pay are the following: Full-time (forty hours per week) employees shall participate in earning vacation leave and sick leave. Part-time employees do not participate in any vacation and sick time; only one part-time employee receives paid holidays. During the six month probationary period, employees may take sick leave; however employees shall not use vacation time during the first year of employment.

Vacation – Vacation leave shall be accrued from the employee's date of employment as stipulated hereinafter.

Full time employees accrue vacation at the following rates:

Years of	Total Hours	Maximum Accrued	Hours Accrued
Continuous Service	Per Year	Hours Allowed	Per Month
Less than 5	96	144	8
5 to 7	120	180	10
7 to 10	144	216	12
10 to 15	168	250	14
15 or more	204	250	17

Upon separation from the County employment for other than cause dismissal, an employee will receive the pay for unused vacation accrual.

Sick Leave – Full time employees can earn sick leave with pay at the rate of 12 days per year, accrued bi-weekly. The maximum limit on the first day of any subsequent

year shall be 720 hours. Any employee who has accumulated 720 hours may convert any additional sick leave accrued for pay at the end of the year in which it was accumulated so that the only sick leave available on January 1 will be no more than 720 hours. The conversion will be one (1) hour of sick leave to one (1) hour of pay.

Upon termination from County employment for other than a cause dismissal, an employee will receive that pay as indicated below for the unused sick accrual:

Full Years of Service	Percentage of Unused Sick Leave
Less than 5	5%
5 to 10	10%
10 to 14	50%
15 to 19	75%
20 or more	100%

The County's potential liability for compensated absences at December 31, 2014 was \$698,358. This is not reflected in the financial statement.

IX. CLAIMS AND JUDGEMENTS

The County participates in federal and state programs that are fully funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the County may be required to reimburse the grantor government. As of the date of this report, the expenditures have not been audited, but the County believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the County.

The County is exposed to various risks of loss related to torts; theft of damage to, and destruction of assets; errors and omissions; injuries to employee; and natural disasters. The County has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2013 to 2014 and there were no settlements that exceeded insurance coverage in the past three years.

During the ordinary course of its operations the County is a party to various claims, legal actions and complaints. It is the opinion of the County's management and legal counsel that these matters are not anticipated to have a material financial impact on the County.

X. SUBSEQUENT EVENTS

The County evaluated events and transactions occurring subsequent year end, and there were no subsequent events requiring recognition in financial statements.

REGULATORY-REQUIRED SUPPLEMENTARY INFORMATION

COWLEY COUNTY, KANSAS Summary of Expenditures - Actual and Budget Regulatory Basis (Budgeted Funds Only) For the Year Ended December 31, 2014
