Presumptive Eligibility Screenings

This month marks 1 year of Presumptive Eligibility Screenings from the Health Department!

These screenings check to see if you're eligible for temporary state health insurance. If eligible, you could get immediate access to healthcare while your full application is processed.

These services are FREE, available in both Ark City & Winfield, and walk-ins are welcome!

Interested in a screening? Just give us a call!

Helping community members connect with the healthcare they need is just another way we work hard to help Cowley County stay well!
