

# PUBLIC HEALTH UPDATE

## WHAT'S NEW IN PUBLIC HEALTH?

### Walnut Valley Festival

Winfield's world-famous Walnut Valley Festival returns next week! We want everyone to have a great time, but with respiratory illnesses still circulating in the community, make sure you're using the best practices to stay healthy:

- If you're feeling sick, then rest and isolate to avoid spreading your illness to others.
- Wash your hands often and avoid touching your face.
- Get plenty of sleep, eat nutritious food, and drink plenty of fluids

Most of all, **have fun!** Enjoy Winfield's time-honored tradition and go out there and experience the great music and good times of bluegrass!

### Health Department Office Closure

Additionally, next Friday, September 15th, both of our locations will close early at 12:00pm. Our normal business hours will resume on Monday, September 18th.
